

MUTIARA MOTORS

Mutiara officially unveils RM30 million HQ building

Automotive giant from southern region, Mutiara Motors had laid another mammoth milestone with the opening of their latest HQ building. Officiated by the Deputy Prime Minister, Tan Sri Dato' Haji Muhyiddin Mohd. Yasin the grand unveiling took place on the 23 July 2009. Also present at the event were Dato' Haji Abdul Ghani Othman, the Menteri Besar of Johor and Datuk Haji Ahmad Haji Kemin the Executive Chairman of Mutiara Motors Group.

The pearl shaped 4-storey building located in Larkin, Johor Bahru will house up to 200 luxurious vehicles for sale and is fully equipped with an after sales service centre. Also incorporated in the new building is a R&D centre for Mutiara's very own M7 product range.

It's evident that a lot of careful planning had gone into the design of the building; the main focus is certainly customer convenience and comfort. The easily accessible Mutiara building has ample car park space for customer convenience and the displays areas well planned and beautifully laid out. Modern facilities within the building such as the wi-fied cafe and meeting facilities will certainly be popular among Mutiara's clientele.

The Mutiara Motors HQ building is located at No.77, Jalan Geroda 1, off Jalan Cenderawasih, Larkin. The showroom is contactable at 07-2333 7777.
